Beer

Here at The Petersfield we love beer! In fact we'd go as far to say it's one of our favourite past times & we're more than a little bit excited about bringing you a wonderful, wide & occasionally weird selection of grain based brews.

Please note: If there's a particular beer you'd like to see on the bar then just let us know using the post box on the bar – if we choose yours, the first pint will be on us.

Keg on tap

A steady supply of firm favourites flow alongside an evolving range of tapped tipples that we hope will keep you guessing & coming back for more.

Cask on hand pull

We're surrounded by so many splendiferous breweries that we just can't choose so, we've decided to regularly rotate all our hand pull lines & showcase a whole bunch of our favourites, including:

Cambridge Brew House, Cambridge	Adnams, Southwold
Three Blind Mice, Little Downham	Tring Brewery Co, Tring
Nene Valley, Peterborough	

Can't decide?

Let one of the team know what sort of beers you usually drink or what style of beer you prefer & they can put together a tasting tray for you of third pints for you to try – get 3 x 1/3 pints of beer of your choice.

Cans

Unlike bottles, cans protect beer from its two arch enemies: sunlight & oxygen. Not only is canned beer better for our palette, but it's better for our planet. They're 100% recyclable & don't require labels or other additional packaging, & they weigh less, so when they travel across the world they create a lower carbon footprint.

The best of Blighty

A wondrous array of some British brewed crafty favourites

Beavertown (Tottenham Hale, London)	
Gamma Ray American Pale Ale 5.4%	4.8
This tropical juicy number has been dry hopped for so long that you can navigate your way to this Tottenham based brewery via sniff navigation.	
8 Ball Rye IPA 6.2%	4.8
A big chunk of Rye is used to give the beer a spicy, earthiness. Zesty Southern hemisphere and American hops are used in abundance to balance the residual sweet malt character	
Neck Oil Session IPA 4.3%	4.6
Super pale in appearance but the perfect blend of subtle & bold in flavour. Our best seller when we have it on tap, but it always sells quick, so enjoy it in a can if you've missed it.	
Double Chin DIPA 8.5%	7.8
Double version of Beavertown's first ever brew, Neck Oil, to celebrate their fourth birthday. Resinous, hoppy & dangerously drinkable	
Holy Cowbell India Stout 5.6%	4.8
Dark as the night but light as an IPA. Tonnes of dry hops added make for a stout with lots of layers that keeps the flavours surprising & interesting all the way to the end	
Cloudwater (Manchester)	
Do not open until 1985 DIPA 9%	8.6
This collaboration with our faves over at Beavertown is a lip-smacking, mouth wateringly refreshing absolute beast of a beer that's as crisp as bed sheets but as hazy as soup. Perfection.	

Bottles

From all over the place

Chimay Blue 9% (Belgium)	6
A dark beast of a beer that's handmade by monks & stinks of caramel, dough & toffee. A truly authentic Belgian Trappist beer.	
Portobello Pilsner 4.6% (North Ken - London)	3.9
With specially selected yeast delivers a beer that's balanced, well rounded & crisp. A continental lager to fight for, rather than after!	
Hitachino Nest White Ale 5.5% (Japan)	5.4
We just love, love love a good Witbier beer, especially with food & Japanese Hitachino Nest offers an interesting twist on the classic Belgians. Think Hoeggarden re-imagined by Yoko-Ono.	
Daura Damm 5.4% (Spain) - Gluten Free	4.9
With a good mix of hops & balanced malt sweetness this GF beer has won more awards than La La Land. And deservedly so.	
Anchor Steam 4.9% (San Francisco, USA)	5
Deep amber in colour with a thick creamy head, rich distinctive flavour this beer has bite	
La Chouffe 8% (Belgium)	5.8
A typical Belgian beer, La chouffe is strong, bready, hazy gold & unfiltered but still remains light	
Sol 4.5% (Mexico)	4.2
Peroni 5.1% (Italy)	4.3

Ciders

Petersfield Cloudy Cider 4.5%	4.3
Crafted in Hertfordshire with a unique blend of British bittersweet cider apples, this is a perfect summer's day quaffing cider.	
Old Mout - Summer Berries 4% (New Zealand)	5.1
Old Mout - Strawberry & Pomegranate 4% (New Zealand)	5.1
Lilley's Select (Somerset) 4.8%	5.2

Cocktails & tipples

Classic Negroni	5
Served short over ice with an orange twist, stir yourself until it is just the way you like it.	
Negroni Sbagliato	6.5
This one is for Sal & Jon, (Ben the landlords in-laws). An arguably better & more refreshing version of the classic Negroni served long & over ice with a good slug of prosecco in the top (probably too much for Jon who likes his insanely strong).	
Our Negroni (the Petersfield way)	7
We've upped the ingredients in the classic Negroni to Bullard's Norwich gin plus an upgrade to Antica Formula, this is how we drink our Negronis when we are feeling fancy	
Bloody Mary	6
Start your day with our twist on a Bloody Mary with our very own 11 ingredient handmade spice mix, served over ice with plenty of garnishes	
Aperol Spritz	6.75
Bitter, refreshing, bright orange & served in a wine glass - what more could you want from a cocktail?	
Pimm's & Lemonade	5
Back in the day all pubs would have had their own 'Summer Cup' - a long, fruity, gin based drink topped with Lemonade or another soft drink
